Release Price: **\$70**

Country: **USA**

Region: **Yountville, Napa**

Issue: **eRobertParker.com #222 - December 2015**

Production: **293**

The 2013 Cabernet Sauvignon Mast Ranch is from southern Napa Valley in the Yountville sector. The wine is an inky purple color, with a boatload of tannin and background oak, loads of structure in a quasi-Bordeaux style, but the purity of Napa's extravagant fruit is present in this structured, well-delineated, but youthful and backward wine. Forget it for 4-5 years and drink it over the following two decades.
